ANIMAL RESCUE / SHELTER WORK

20 HOUR A WEEK INTERNSHIPS IN PET RESCUE

Starting immediately, The Haven-Friends for Life animal rescue shelter in Raeford, NC is opening several 20-hour-a-week internships. This program is designed as an educational opportunity for someone with not only a great passion for saving and caring for animals but also someone with strong leadership, initiative, and organizational skills. Rescuing is inspiring but it also takes sound work to ensure that each pet we rescue is cared for and adopted.

To date, The Haven has adopted out 30,000 rescued pets and each pet is spayed/neutered, microchipped, and has all its shots at the appropriate age. **THE HAVEN HAS SO MUCH TO GIVE AND THE RIGHT PERSON COULD HAVE AN AMAZING IMPACT FOR SO MANY ANIMALS.**

The Haven is a full time operation with abandoned pets coming in daily. Every little pet looks to members of the rescue movement for help and now we are looking for some special people who can help them.
